

• Shake Upside Down for 15 Seconds

• Shake Upside Down for 15 Seconds

• Shake Upside Down for 15 Seconds

- **Kills in Seconds** – Flies, Mosquitos, Gnats, Moths, Yellow Jackets, and crawling insects too!
- For indoor and outdoor use
- Fresh mint scent

For many years, we have enjoyed the convenience of using aerosols for killing bugs. But we have worried that toxic aerosols may be detrimental to the health of our families, pets and the environment... until now. Victor® aerosols are made of a Poison-Free® formula which kills bugs... yet can be used around children and pets. Instead of having a toxic, pesticide smell, Poison-Free® aerosols have a fresh mint scent. Plus, they do not stain carpets or floors. Victor®... the World's Leader in Least Toxic Pest Control.

#### Directions For Use:

It is a violation of State Law to use this product in a manner inconsistent with its labeling.

- 1 Shake upside down for 15 seconds.
- 2 For best results, spray bugs directly.
- 3 Repeat Step 2 if necessary.
- 4 Recycle empty can when possible.

#### Modo de Empleo:

- 1 Agítese al revés por 15 segundos.
- 2 Para los mejores resultados, pulverice los insectos directamente.
- 3 Repita el Paso 2 si fuera necesario.
- 4 Recicle el aerosol vacío si es posible.

#### Precautionary Statements

**Caution** – Contents under pressure. Keep out of the reach of children.

May cause slight eye or skin irritation in sensitive individuals. Avoid contact with eyes, skin, and clothing. Wash thoroughly with soap and water after handling.

#### FIRST AID

##### If in eyes:

- Hold eye open and rinse slowly and gently with water. Remove contact lenses, if present, after thoroughly rinsing eye, then continue rinsing eye.
- If irritation persists contact a doctor for further treatment advice.

##### If on skin:

- Rinse skin with plenty of water.
- If irritation persists contact a doctor for further treatment advice.

**Storage:** Contents under pressure. Keep away from heat or open flame. Do not store in temperatures above 130°F or below 32°F. **Disposal:** Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or (800)-CLEANUP for disposal instructions. Woodstream Corporation and its subsidiaries will not accept liability for damage or injury resulting from use not in accordance with the label directions.
