

CONNOISSEUR (Part A) 4.9-0-3.6

When Only the Finest Will Do

You're driving home from your shopping trip, soon seeing the view of your quarter mile long, tree-lined driveway. Unload your packages, open your hand-carved door, settle onto your leather couch in the home theater room as your personal chef presents a crystal goblet filled with chilled champagne, which you sip while lighting your hand rolled cigar. That sweet aroma and silky smooth smoke caresses your tongue and pleases your nose as you contemplate the elegant painting that hangs on the mahogany wall above the fireplace. You pause a moment to take in the beauty of your surroundings and all the blessings of life. Finally, the moment you've waited for arrives. You open your shopping bag and slowly draw out your shiny containers of ultra-premium Connoisseur. The confident smile on your face says it all.

Co-Founders' NO-RISK, 100% Money Back GUARANTEE

You risk nothing when you get Connoisseur, and you have everything to gain. This is the only two-part, ultra-premium bloom base nutrient guaranteed to boost harvest size and quality more than any other bloom base. It would take more room than we've got on this label to explain to you the meticulous plant science and super ingredients we put into Connoisseur to propel it to new heights in base nutrient performance. The ironed promise we make (and we always keep our promises) is that Connoisseur outperforms all other two-part base nutrients so you get harvests that you never thought possible no matter what kind of garden you grow in. Trust yourself to Connoisseur and look forward to a guaranteed immense boost in harvest quality for your high-yield plants today.
