SHAKE WELL, or best results, use freshly mixed solution. Use soft water whenever possible.

NOTE: Do not use on new transplants, newly rooted cuttings or plants stressed by drought.

Avoid application when temperature exceeds 90°F. Safe® Brand Insect Killing Soap may be used up to and including day of harvest, and is useful as a component of Integrated Pest Management (IPM) programs.

[illegible]

Flower and Bedding Plants Growing Outdoors and in Home Greenhouses: including herbaceous plants, shrubs and succulents. **Mile 2.51 to 6.5 (5 Tbsp.)** of concentrate per gallon of water. Apply when insects appear. Take care to thoroughly wet all infested surfaces. A second application should be timed to control newly hatched young. Repeat weekly as needed up to three times. Do not spray directly on insects after disturbing their hiding places. **NOTE:** Do not use on bleeding heart gardenias, fuchsia, lantana, lilacs or sweet peas. Some varieties of azaleas, begonias, carnations, lilies, geraniums and impatiens have shown sensitivity. If within 48 hours with a few hours' rest with clean water supply, test on crystalline form for tolerance. Insisting and/or delay to open blooms.

Hazards to Humans and Domestic Animals:

WARNING: Causes skin irritation. Causes substantial but temporary eye injury. Harmful if absorbed through skin. Harmful if inhaled. Do not get on skin, eyes or on clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Wear protective eyewear (goggles, face shield or safety glasses).

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment advice.

This product may be hazardous to aquatic invertebrates. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or

PHYSICAL OR CHEMICAL HAZARDS:

Do not contaminate water, feed or foodstuffs by storage and disposal.

STORAGE: Store only in original container in a cool, dry area inaccessible to children and pets. Do not store full or partial containers in direct sunlight. Keep container tightly sealed when not in use.

DISPOSAL: If Empty: Do not reuse this container. Place in trash or other for recycling if available. If Partly Filled: Call your local solid waste agency or (800)-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Woodstream Corp. and its subsidiaries will not accept liability for damage or injury resulting from misuse. For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-3738.
