

SAFETY DATA SHEET

Section 1: Identification

Product identifier

- **Product Name:** Cockroach Trap Jumbo
- **Model No.:** S1303

Details of the supplier of the safety data sheet

- **Manufacturer:** SpringStar Inc.
P.O. Box 2622
Woodinville, WA 98072
- **Emergency Number:** 800-769-1043
General: 425-487-6011

Relevant identified uses of the substance or mixture and uses advised against

- **Recommended use:** Insect Trap or Lure

None of the ingredients of this material meet the definition of "Hazardous Chemical" given in OSHA Hazard Communication Regulation 29 CFR 1910.1200(c). The information on this form is furnished as a customer service. All items meet current EPA and FIFRA registration requirements (EPA registration not required).

Section 2: Hazard(s) Identification

Classification of the substance or mixture

- None of the ingredients of this material meet the definition of "Hazardous Chemical" given in OSHA Hazard Communication Regulation 29 CFR 1910.1200(c).

Label elements

- Does not require a hazard warning label in accordance with the Occupational Safety and Health Standards for Toxic and Hazardous Substances Part 1910.1200(b)(6).

Other hazards

- **Health:** Unlikely to cause irritation to the eyes, skin, or as an inhalant. Not volatile. Unlikely to cause adverse systemic health effects if ingested.
- **Environmental:** Neither ecological hazards nor bioaccumulation are expected, however, it is good practice to avoid spillage into the environment.
- **Additional Information:** Remove solidified adhesive with a light, food-grade oil, such as castor oil or cooking oil. When adhesive has been removed, wash affected area with soap and water.

Section 3: Composition/Information on Ingredients

Substances

- **Chemical name:** Trade Secret.
- **Common name and synonyms:** Trade Secret.
- **Chemical Abstracts Service (CAS) number:** Trade Secret.

- **Impurities and stabilizing additives:** Trade Secret.

Mixtures

- **Chemical name:** Trade Secret.
- **Common name and synonyms:** Trade Secret.
- **Chemical Abstracts Service (CAS) number:** Trade Secret.
- **Impurities and stabilizing additives:** Trade Secret.

The chemical name and concentration (i.e., exact percentage) of all ingredients which are classified as health hazards and are:

- a) Present above their cut-off/concentration limits: None
- b) Present a health risk below the cut-off/concentration limits: None

The concentration (exact percentages) of each ingredient:

- a) A trade secret claim is made.

Chemicals where a trade secret is claimed

- The specific chemical identity and/or exact percentage (concentration) of composition has been withheld as a trade secret.

None of the trade secret ingredients are considered hazardous,
None of the trade secret ingredients have a PEL established under OSHA regulations,
None of the trade secret ingredients have a TLV established under OSHA regulations

Section 4: First-Aid Measures

Description of first aid measures by relevant routes of exposure:

SKIN:	Remove any contaminated clothing. Wash skin with soap or mild detergent and water for at least 15 minutes. Thoroughly wash contaminated clothing or shoes before reuse.
EYE:	Check for and remove contact lenses. Flush with water for 15 min. Seek medical attention immediately.
INHALATION:	Remove to fresh air. Give oxygen if breathing is difficult. Get medical attention.
INGESTION:	Administer water and call a physician or poison control center immediately. Do not induce vomiting, unless directed to do so by medical personnel.

- **Most important symptoms and effects, both acute and delayed:**
Not known, not expected.
- **Indication of any immediate medical attention and special treatment needed:**
Not known, not expected.

Section 5: Fire-Fighting Measures

- **Extinguishing media:** Foam, dry chemical, CO₂, halogenated agents.

Advice for firefighters:

- **Respiratory protection:** Fire fighters should be equipped with self-contained breathing apparatus to protect against potentially toxic and irritating fumes.
- **Protective gloves:** Recommended.
- **Eye protection:** Recommended.
- **Other protective equipment:** Impervious protective clothing, including boots, gloves
- **Unusual fire and explosion hazards:** Combustion may release noxious or toxic vapors.

Section 6: Accidental Release Measures

Emergency procedures

- **Spill or leak procedures:** Ventilate area of leak or spill. Remove all sources of ignition. Wear appropriate personal protective equipment. Isolate hazard area. Collect spilled solid in an appropriate container and dispose of according to local and regional authority requirements. Finish cleaning by spreading water on the contaminated area.

Personal precautions and protective equipment

- **Respiratory protection:** For emergencies, or instances where the exposure levels are not known, use a full-face piece positive-pressure, air-supplied respirator.
- **Protective gloves:** Recommended.
- **Eye protection:** Recommended.
- **Other protective equipment:** Impervious protective clothing including boots, gloves.

Section 7: Handling and Storage

Handling

- **Respiratory protection:** For conditions of use where exposure to the substance is apparent and engineering controls are not feasible, consult an industrial hygienist. For emergencies, or instances where the exposure levels are not known, use a full-face piece positive-pressure, air-supplied respirator.
- **Ventilation:** A system of local and/or general exhaust is recommended to keep employee exposure as low as possible.
- **Protective gloves:** Recommended.
- **Eye protection:** Recommended.
- **Other protective equipment:** Impervious protective clothing including boots, gloves.

Storage

- **Specific storage requirements:** Keep in a tightly closed container, stored in a cool, dry, ventilated area away from any area where the fire hazard may be acute. Protect against freezing, physical damage and excess heat.

Section 8: Exposure Controls/Personal Protection

Exposure controls: No further data; see section 7.

Personal protective equipment: No further data; see section 7.

Section 9: Physical and Chemical Properties

Material description

Appearance	White odorless solid coated with light yellow sticky mass	pH	Not applicable
Odor	having a negligible odor	Odor threshold	Not applicable
Vapor pressure	Not available	Vapor density	Not known
Viscosity	Not known	Relative density @ 25° C	0.8
Freezing point	125°F	Boiling point	>500°F
Solubility	Negligible	Evaporation rate	Not available
Flash point	>390°F	Flammability (solid, gas)	Not known
Auto-ignition temperature	Not applicable	Decomposition temperature	Not known
Upper/lower flammability or explosive limits	Not known	Partition coefficient: <i>n</i>-octanol/water	Not applicable

Section 10: Stability and Reactivity

Reactivity

- Not available.

Chemical stability

- Stable under ordinary conditions of use and storage.
- No stabilizers needed to maintain chemical stability.
- Should the product change in physical appearance, no safety issues expected.

Other

- **Hazardous polymerization:** Will not occur
- **Conditions to avoid:** Exposure to temperatures greater than 250 degrees F
- **Materials to avoid:** None known
- **Known or anticipated hazardous decomposition products:** None.

Section 11: Toxicological Information

Information on likely routes of exposure

- **Primary route(s) of entry:** Not known

Information on toxicological effects

- **Acute effects:** Not known
- **Most important symptoms and effects, both acute and delayed:** Not known, not expected.
- **RTECS numbers:** Not known
- **Irritation data:** Not known
- **Toxicity data:** Not known
- **Threshold Limit Value (TLV):** Not known
- **OSHA Permissible Exposure Limit (PEL):** Not known
- **Listed as a carcinogen by NTP, IARC, or OSHA?** No.

Section 12: Ecological Information

Toxicity

- **Aquatic and/or terrestrial toxicity:** Not available.
- **Persistence and degradability:** Not known.

Behavior in environmental systems

- **Bioaccumulative potential:** Not available.
- **Mobility in soil:** Not known.
- **Additional ecological information:** Not known.

Section 13: Disposal Considerations

Disposal

- Whatever cannot be used, saved for recovery or recycling should be managed in an appropriate and approved waste disposal facility. Dispose of container and unused contents in accordance with federal, state and local requirements.

Section 14: Transport Information

No restrictions.

Section 15: Regulatory Information

No restrictions.

Section 16: Other Information

DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY

THE INFORMATION IN THIS MSDS WAS OBTAINED FROM SOURCES WHICH WE BELIEVE ARE RELIABLE. HOWEVER, THE INFORMATION IS PROVIDED WITHOUT ANY WARRANTY, EXPRESS OR IMPLIED REGARDING ITS CORRECTNESS. SPRINGSTAR LLC MAKES NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OF ANY OTHER NATURE WITH RESPECT TO THE INFORMATION OR THE PRODUCT TO WHICH THE INFORMATION REFERS. SPRINGSTAR'S SOLE AND EXCLUSIVE LIABILITY WITH RESPECT TO PRODUCTS PROVIDED TO SPRINGSTAR'S SATISFACTION TO BE DEFECTIVE OR NONCONFORMING SHALL BE THE REPLACEMENT OF SUCH PRODUCTS WITHOUT CHARGE OR REFUND OF THE PURCHASE PRICE UPON THE RETURN OF SUCH PRODUCTS IN ACCORDANCE WITH SPRINGSTAR'S INSTRUCTIONS. THIS REMEDY, IN THE MANNER PROVIDED HEREIN, SHALL CONSTITUTE FULFILLMENT OF ALL LIABILITIES OF SPRINGSTAR, WHETHER BASED ON CONTRACT, TORT OR OTHERWISE WITH RESPECT TO, OR ARISING OUT OF THE PRODUCTS. SPRINGSTAR SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, CONTINGENT OR SPECIAL DAMAGES.
