

**FIRST AID**

**If in Eyes:** • Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes. Then continue rinsing eye.

**If on Skin or Clothing:** • Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes.

**If Swallowed:** • Call poison control center or seek medical attention for treatment advice.

Have the product container or label with you when calling a poison control center or doctor of going for treatment.

To protect our environment, please do not allow any household products to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying outdoor products in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash granules off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn, ornamental, or garden will help to prevent run off to water bodies or drainage systems. Do not apply this product directly to water: lakes, rivers, ponds, or streams.

**STORAGE AND DISPOSAL:**

Store only in original container in a cool dry place inaccessible to children and pets. **Disposal:** If **partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. If **empty:** Nonrefillable container. Do not reuse or refill container. Place empty container in trash or offer for recycling if available.

**NOTICE:** To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Ineffectiveness or other unintended consequences may result, because of factors such as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of GRANT LABORATORIES, INC. or the Seller. To the extent consistent with applicable law, buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

Product may settle after packaging.

**RO-PEL****Animal Repellent Granules**

**Repels Deer, Rabbits, Dogs, Cats,  
Squirrels, Raccoons, Skunks & Groundhogs**

**Effective • Biodegradable • Long lasting  
Easy-to-use granules with shaker top**

**KEEP OUT OF REACH OF CHILDREN**  
**CAUTION** See side panel for additional cautions and First Aid.

**Net Weight 10 oz (283.75 g)**

RO-PEL Animal Repellent protects your lawn, ornamentals, and gardens from invasive animal damage. It is a powerful granular deterrent that repels unwanted animals by containing a scent and taste that is offensive to animals. With natural ingredients, RO-PEL Animal Repellent is biodegradable and not harmful to lawn, ornamentals, and gardens. RO-PEL Animal Repellent does not harm animals but causes them to avoid the area.

Treats up to 50 square feet depending on surface, weather and size of foliage.

**Active Ingredients:**

Fluorescent Whole Egg Solids	4.00%
Castor Oil	0.25%
White Pepper	0.01%
Other ingredients*	95.74%
Total	100.00%

\* (Peanut Hulls, Vinegar, Sulfur, Potassium Sorbate)

**DIRECTIONS FOR USE:** Apply granules around the area you want to protect in a band of about 8 inches wide. Repeat as necessary until animal habit is broken. Resume product application if problem reoccurs. 10 ounces of RO-PEL Animal Repellent will treat an area of 50 square feet. Do not use indoors. Do not apply directly to plants used for food or feed.

**APPLICATION TIPS:**

- Do not apply when ground is soaking wet or when heavy rains are expected
- Do not apply in wet and windy conditions
- Do not water in product after application

**CAUTION:** Avoid contact with eyes, skin or clothing. For certain individuals, skin irritation can occur. It is recommended you wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

Grant Laboratories, Inc. represents that this product qualifies for exemption from registration with the U.S. Environmental Protection Agency under FIFRA 25(b).
