Mole & Vole Stopper®

MOLE & VOLE REPELLENT

Pleasant to Use Formula

1 QUART
(32 FL OZ)

Stop Animal Damage!™

CONCENTRATE

The contents of this bottle
will cover approximately
10,000 square feet

This product is a highly effective solution for preventing foraging, nesting and tunneling damage caused by **moles and voles and related species** when used according to the following directions. **1:** Shake container well before using. **2:** Connect bottle to end of hose and run water through it. Once a constant stream is flowing, turn the sprayer head to desired output. **3:** Apply a fine mist to the area that needs protection, making sure all parts are covered, being careful not to overspray. When using near edible crops, apply a perimeter application. **4:** Allow 20 minutes for the product to dry before watering of any kind. **5:** Repeat application as needed, usually every 30 days. **NOTE:** Due to possible allergic reaction to one or more of the ingredients used to make this product, do not apply to plants that are grown for human or animal consumption. When spraying, ensure that the product does not contact food plants. It may, however, be used on dormant fruit and nut trees. This product works by smell and taste.

Ingredients

Active Ingredients

Castor Oil	46.66%
Rosemary Oil	5.62%
Mint Oil	5.62%
Sodium Lauryl Sulfate02%

Inert Ingredients

Xanthan Gum, Water	42.08%
