

BUD CANDY**0-0-1**

Sweet as Candy

Imagine back into your past when you were a kid at the County Fair and you were eating cotton candy. It was pure delight that melted in your mouth and left your fingers gooey and sticky. The taste and those smells, it drove you crazy! Not only that, but you got a huge, immediate jolt of energy from all that sweet stuff...full of get-up-and-go you ran around the County Fair with your mother barely being able to keep up, and having the time of your life. Bring Bud Candy home for your plants. Savor the sweet smells and tastes you've always loved.

Co-Founders' NO-RISK, 100% Money Back GUARANTEE

Imagine your grateful eyes taking in the glitter and gold of your candy-crystal flowers... your taste buds and nose taking in their gourmet aroma. You're guaranteed you'll see your plants eating tons of carbohydrate energy so your flowers swell up all bloom phase and you'll stagger under the weight of your sugarcoted harvests.

Our company's long tradition of providing you supercharged hydroponics formulas backs your stronger, healthier bloom phase and your awe-inspiring flowers that taste and smell sweeter than cotton candy and a spoon full of honey.

Bud Candy's 100% organic ingredients exclusively provide you bigger, tastier flowers... and that's 100% guaranteed!
