## Garden Dust

### PRECAUTIONARY STATEMENTS:

#### Hazards to Humans and Domestic Animals

**CAUTION:** Harmful if inhaled. Avoid breathing dust. Remove contaminated clothing and wash before reuse. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

### FIRST AID

<b>If inhaled:</b>	<ul style="list-style-type: none"> <li>• Move person to fresh air.</li> <li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.</li> <li>• Call poison control center or doctor for treatment advice.</li> </ul>
<b>If on skin or clothing:</b>	<ul style="list-style-type: none"> <li>• Take off contaminated clothing.</li> <li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>
<b>If in eyes:</b>	<ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul>

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment advice.

### ENVIRONMENTAL HAZARDS:

Do not apply directly to water. Do not contaminate water when disposing of equipment washwater or rinsate.

### GENERAL INFORMATION:

Safer® Brand Garden Dust, in its easy-to-use shaker canister, is a specially formulated dust to provide best results when caterpillars and worms are newly hatched. The active ingredient, Bacillus thuringiensis is a naturally occurring component of the environment. Safer® Brand Garden Dust is a highly selective insecticide for use against listed caterpillar pests. Honey bees foraging in treated areas are not harmed when Safer® Brand Garden Dust is used according to directions.

### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Application Rates:** Apply Safer® Brand Garden Dust when pests are first noticed and repeat every 7 days to 10 days or as necessary. Caterpillar egg hatch can occur over an extended time period. Monitor treated areas for the presence of newly hatched pests and retreat if necessary. Thorough leaf coverage is necessary for effective control. After ingesting a treated portion of the leaf, caterpillars stop feeding within a few hours. Death occurs in a few days.

Apply to foliage of listed crops at a rate of 2 to 3 ounces per 50 feet of row plantings.

Use on these crops:	To control these insects:
Broccoli Cauliflower Turnips Celery Cabbage Chinese Cabbage Kohlrabi Tomatoes Escarole Carrots Melons Spinach Kale Turnip Greens Mustard Brussels Sprouts Sweet Potato	Peppers Lentils Cucumbers Squash Collard Lettuce Beets Beans Endive Peas Sweet Corn Eggplant Potato Tobacco
