Quart

Bonide Mosquito Beater Ready-To-Spray (RTS) is quick and easy to apply, simply attach to the garden hose and begin spraying. The natural Cedar, Citronella, Geranium and Lemon oils provide effective, long lasting relief from mosquitoes. May be used in areas where children and pets play.

Bonide Mosquito Beater (RTS) is exempt from registration with the Federal EPA under section 25(b) of FIFRA, and as such, is not registered with the Environmental Protection Agency. Bonide represents that this product and its ingredients qualify for exemption from registration under FIFRA.

HOW IT WORKS

The unique blend of biodegradable ingredients in **Bonide Mosquito Beater (RTS)** naturally repels mosquitoes. Results can be seen immediately after spraying. Best results are obtained when application is made at least 6 hours prior to anticipated rainfall. For maximum effectiveness, reapplication is recommended after heavy or frequent rainfall.

DIRECTIONS FOR USE

How To Use: SHAKE WELL BEFORE USING

- 1. Make sure knob control lever is in the OFF position. Shake well and attach to hose.**
- 2. Turn water on at faucet, aim nozzle toward area to be sprayed and turn knob control lever to ON position to begin spraying.**
- 3. When finished, turn control lever to OFF position. Turn faucet to OFF position. Discharge residual water pressure by turning control lever ON and OFF again. Disconnect and store out of reach of children**
- 4. One quart covers up to 5,000 square feet.**

Apply around homes, decks, porches, garages, car ports, barns, garbage cans, swimming pools, shrubbery, trees, on lawns, and other areas where mosquitoes are a problem.

NOTE: Do not apply directly to water. Not for food use.

FIRST AID

Product can cause moderate eye irritation. For certain individuals, skin irritation may occur. In case of eye contact, flush with plenty of water. In case of skin irritation, wash area thoroughly with soap and water. If swallowed, call a physician or poison control center. Seek medical attention if irritation persists.

STORAGE AND DISPOSAL

Store and transport in an upright position. Store only in original container, in a dry place inaccessible to children and pets. Do not reuse empty container. Discard empty container in trash.
