

ona breeze fan

Compact. Light. Efficient.

The ONA Breeze has been redesigned and is now available at a really affordable price point. It is lighter, uses less power, and now fits on either the ONA Gel Pail or ONA Gel Jar (both 4 liters, 1 US Gal).

This makes the ONA Breeze fan excellent value for removing odors with ONA Gel.

The ONA Breeze provides odor neutralization for a room up to 1,500 square feet (15,000 cubic feet) or 166 square meters (500 cubic meters) for 3 - 6 weeks. This period will vary based on the ambient temperature and humidity levels of the room.

The Breeze fan unit is well suited to most applications because of its portability and size. Quick and easy to move—it can provide a fast response to accident situations and look discrete with almost no noise! Uses include: garbage areas, garages, change-rooms, closets, laundry areas, indoor & hydroponic gardens, waiting rooms, retail outlets and leisure areas.
