

**AGE OLD ROOT RALLY with MYCORRHIZAE
0-3-0 with 6% Calcium & 2% Sulfur**

Age Old Root Rally with Mycorrhizae is an organic fertilizer containing a blend of bone meal, fossil rock minerals, bio-nutrients and inoculated with mycorrhizae spores. Age Old Root Rally with Mycorrhizae is a complete blend of Endo- and Ecto-mycorrhizae spores with vitamins, minerals, and nutrients for trees, shrubs, flowers, fruits and vegetables. It reduces shock, encourages root growth and increases water and nutrient absorption.

GENERAL DIRECTIONS

TREE & SHRUBS: At planting use 1/4 to 1/2 lb of OTSR per caliper inch of trunk diameter. Use 2 to 4 Tbsp of Root Rally per each gallon sized container. Place 1/2 of Root Rally material into hole, backfill soil into hole and spread remaining Root Rally evenly through the soil.

ORNAMENTAL AND VEGETABLE TRANSPLANT: Apply 1 Tbsp of Root Rally to bottom of hole prior to plant placement. Water Completely.

ORNAMENTAL FLOWER BEDS & GARDENS: Evenly distribute 8 lbs of OTSR per 1000 sq ft across planting areas and work into top 3 to 4 inches of soil.

GREENHOUSE PLANTING & SOIL MIXTURES: Mix 4lbs of Root Rally into each cubic yard of soil mixture. Blend well before using.

SOAK SOIL WITH WATER TO ACTIVEATE MYCORRHIZAE INOCULANT. USE IN COMBINATION WITH AGE OLD LIQUID PRODUCTS. DO NOT COMBINE WITH PRE-PLANT FERTILIZER, HERBICIDES, OR PESTICIDES.
